

DiamondBrite™

The DiamondBrite™ Polishing System is the most significant innovation in concrete polishing in the last 50 years. DiamondBrite transforms ordinary cleaning machines into concrete polishing machines through everyday cleaning routines. No need for heavy, expensive equipment or harsh chemicals. Progressing through a series of increasing finer diamond grits, the pores of the concrete are closed bit by bit, ultimately resulting in a retail-like finish. The multi-step system provides the flexibility for the user to choose how many steps are needed to achieve the desired surface finish.

NEED FLOOR PREP?

Need to Remove Deep Scratches, Cracks, Uneven Floors, Stains, Paints, Adhesives, Wax & Coatings?

WE HAVE THE TOOL!

- Scraper Plus
- Concrete Abrader
- Predator
- Satellite
- Crack Chaser

50 Grit

- Polish (6-8 passes) Starting Grit for Floors 6+ Years Old.
- Preps Existing Epoxy Floor for a Re-coat
- Removes Heavy Build-up

100 Grit

- Polish (6-8 passes) Starting Grit for Floors 6+ Years Old.
- Preps Existing Epoxy Floor for a Re-coat
- Removes Medium Build-up

200 Grit

- Polish (6-8 passes) Starting Grit for Floors 6+ Years Old.
- Starting Grit for Floors 3-4 Years Old
- Removes Medium Build-up

400 Grit

- Polish (6-8 passes) Starting Grit for Floors 6+ Years Old.

1000 Grit

- Polish (6-8 passes) Starting Grit for Floors 6+ Years Old.
- Suggested Starting Grit if Your Floor is 1-2 Years Old

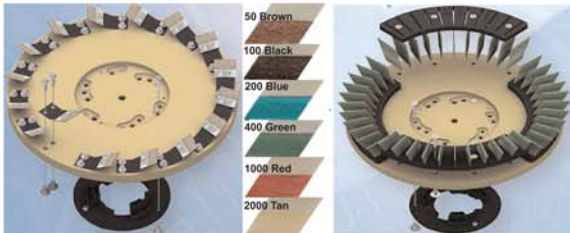

2000 Grit

- Polish (6-8 passes) Starting Grit for Floors 6+ Years Old.
- Use as a Maintenance Brush

DiamondBrite Concrete Polishing System

Each Concrete Polishing Tool includes flexible blades that allow the diamonds to remain in constant contact with the floor. The polymer blades are designed around removable, slotted retainers. All polymer blades are easily removed and easily replaced, which enhances the life of the tool.

DESCRIPTION	Part#
DiamondBrite 17" 50 Grit (Polymer Blade) Brown	KA1052
DiamondBrite 17" 100 Grit (Polymer Blade) Black	KA1054
DiamondBrite 17" 200 Grit (Polymer Blade) Blue	KA1055
DiamondBrite 17" 400 Grit (Polymer Blade) Green	KA1056
DiamondBrite 17" 1000 Grit (Polymer Blade) Red	KA1057
DiamondBrite 17" 2000 Grit (Polymer Blade) Tan	KA1058
DiamondBrite 19" 50 Grit (Polymer Blade) Brown	KA1065
DiamondBrite 19" 100 Grit (Polymer Blade) Black	KA1060
DiamondBrite 19" 200 Grit (Polymer Blade) Blue	KA1061
DiamondBrite 19" 400 Grit (Polymer Blade) Green	KA1062
DiamondBrite 19" 1000 Grit (Polymer Blade) Red	KA1063
DiamondBrite 19" 2000 Grit (Polymer Blade) Tan	KA1064

DiamondBrite Blade Replacement Kits

DiamondBrite™ Tools are designed with replaceable blades, which enable users to order a replacement kit and easily change used or worn blades, minimizing downtime.

Description	Qty/Kit	Part#	Description	Qty/Kit	Part#
50 Grit Polymer Kit	44	KA1052-R	400 Grit Polymer Kit	44	KA1056-R
100 Grit Polymer Kit	44	KA1054-R	1000 Grit Polymer Kit	44	KA1057-R
200 Grit Polymer Kit	44	KA1055-R	2000 Grit Polymer Kit	44	KA1058-R

Stone X System™ designed for the restoration and maintenance of marble, tile, terrazzo, stone and concrete. This versatile floor machine can also be used for standard floor scrubbing, stripping and polishing applications.

Stone X System

- INCLUDES
- Stone X 3 Polisher
 - 4 Gal. Solution Tank
 - Splash Ring
 - Light
 - Unicorn Weight
 - Pad Driver

SX200 adds a Two Speed Motor. 178/300 RPM. Increases Speed & Performance

BUFFER LIGHT

UNICORN WEIGHT
Add up to 95#

EXTRA WIDE
NON-MARKING
WHEELS

Stone X 3 Polisher 17" 178 RPM w/ Acc. **SX100**
Stone X HS Polisher 17" 178/300 RPM w/ Acc. **SX200**
Note: For the SX200 add Two speed Motor & Increase Speed & Performance
